Chatter Chatter
It's been two days... What's wrong...
Jeha Sunbae, he's skept school for two days in a row now
Yeah, and he's the only reason I come to school. To see his face
Is he sick or something?

sfx- hurry!
Quiet! There is nothing special today, so get ready immediately!
Now, is anyone absent?
Jeha-Sunbae isn't here!
Oh, didn't I tell you guys? He's sick, he's not going to be back till tomorrow.

Really! We should visit him or something!
Yeah, and we can get on his favorites list!
Sick? How? Why?
I want to run to him and hug him, but I know I can't.
Hey hey! Stop talking start listening! There's a test soon!

I feel horrible... Can't concentrate...
I'm horrible I've only met him for a few yet I misss him

If you're not avoiding me on purpose, please take this call!
I'd rather that you're too sick to get this call than you ignoring me..
I don't want to be hated by you, Oppa

I thought I would be happy again as soon as I saw you... But I feel worse than I did before you came back.

TRRRR
TRRRRRR...

Everything was thanks to Hajin!
She told us she would kill us if he didn't do as she said!
I didn't think she'd go that far! Please spare me!

I really didn't think Mina would die like that!
BAM
ドカ

Hajin?
Hajin Seo?

At that time, I wanted to die. I wished my ears and mouth and nose would rot out.
How do I know you're not lying?
Please believe me, I'm not lying! Hic! Hic!
Kyaaaa!

You better not be lying, you'll pay if you are!
I never saw her again but I heard she went to Munsung High!

I really wished she wasn't the Hajin I knew.
But in the whole school there were only two named Hajin. And the other one's last name was different.
And only one transferred to Munsung High..
찾아

God likes to toy with me. Way too much.

They say you can't see what's right under your nose.
Or maybe I have to thank God.
Can we watch a movie this Saturday, Oppa? You, me, and
Today's my birthday. Can we-
I'm busy, go play with your friends.
I have my worst enemy trapped at hand. Hajin.
SMIRK
No, I m busy that day Go with Taejun
Can I please talk to you? I have a problem
Later Can't you see I'm busy right now?

Yeah, I shall dance like a hobo!
Older brother is the best!
Never once treated her well.
Jeha Han, don't forget what you promised yourself!
Remember what you're supposed to do!

Forget the Hajin you knew for a very short time! You know the real Hajin now!

Are you kidding? I don't want to sit by the loner chick!

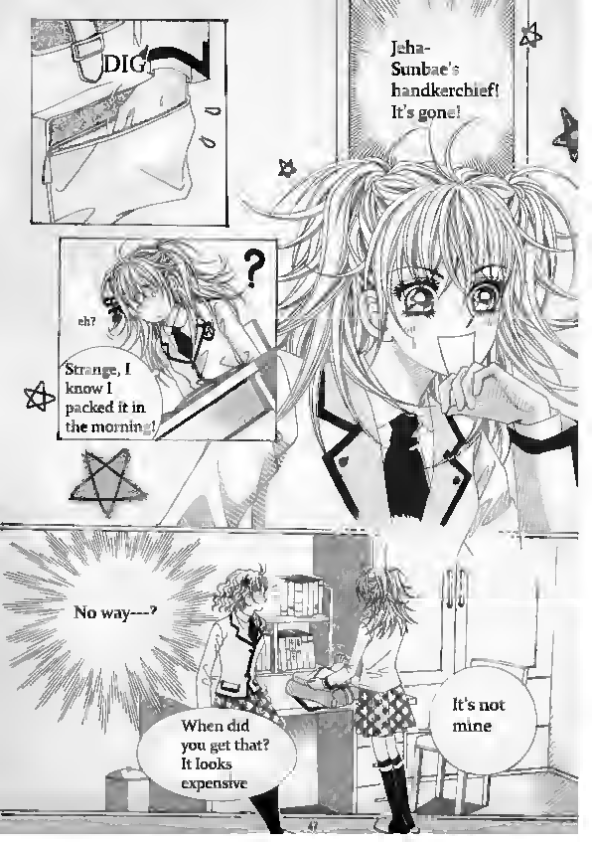
I'm paired with Jeha Sunbae again..
I feel somehow happy..
Maybe because I haven't seen him in a while, I feel nervous
Sunbae isn't saying anything either.
Come to think of it, he was always the one to strike up conversation
I lack courage. But never before had I felt this way.
Oh, Yeah!



DIG
Jeha-Sunbae's handkerchief! It's gone!
eh?
Strange, I know I packed it in the morning!
No way---?
When did you get that? It looks expensive
It's not mine

That's it for now, get some lunch!
Be ready for 5th hour.
YAWN~~~
It's not social studies, it's a sleeping pill.
HUNGRY...!
What's today's menu?
Yea~
I'm hungry!!

Sunbae, I'll lend you my notes.
Eat with us!

Let's go to lunch!
You don't have an excuse, right?
Go before me.
Oppa, you're not the type to fall in love with your seat
Please tell me it isn't because of Hajin!

1-5
Hey, you seen Hajung Seo?
No, who is she?
What's a sophomore doing here?
What if she already trashed it?

KYA
I know, right?
Yeah, I loved it!
My dad said he would raise my allowance-AGAIN!
Ooh, you're so lucky!
Hajung!
I need to tell you something!
A sophomore?

I don't know you, you're talking to the wrong person!
휘
Let's go away from HER
You really don t know her?
I really don't know her!
It will just take three seconds.

I told you to pretend you don't know me! What if I get caught?
You're still pretending you are from a rich family?
WHAT DO YOU GIVE A FUCKING DAMN?
What if Mom found out?

Why are you so ashamed of your parents and me? I can't understand you
아무리 나 동생이지만 두고 보기가 점점 비거워
Yes, I hate living this way, I really am ashamed!
But how happy are YOU, loner girl?
Understand me? Have you even tried?
If you don't have money, go away

Do you even have the courage?
Do you think I won't do it?
She's perfectly serious...
She'll KILL me for a hanky
꽈악

I'm giving it back, so there!
I thought you were silent for a while, but NO!
You just HAD to threaten me!
I feel ashamed just to be related to you by blood!

I know I'm horrible...
I just thought she would'nt give it back otherwise.
I'll have to wash it over again

That bitch, just for a hanky...
HUFF
HUFF
It does look like it cost alot, but...
And another thing, she used to be really glum, but she seemed HAPPY!
Who would have lent her such a thing?!
It was definitely a boy's.

I feel nervous
Um, Jeha Sunbae ..
shhk
Um, thanks for this
.....

Is it just me? He turned cold all of a sudden.
Um..
Ah!
You didn't have to give it back.
Yes, but..
He doesn't seem pleased.

AH!
Tok
Jeha Sunbae.
I know he felt like he touched a slug But why?
I just don't like it when others touch me

Thanks anyway
GRAB
He doesn't like being touched? He's lying
Why do I feel like he thinks I'm the enemy?
The new Jeha Sunbae is so cold to me

Why do I have a feeling that I'm hated by him?

Seyung Im, if you are ever going to ask someone for something again, forget about the threats.
You were so wrong Threats and pleading never work together

I feel like I was chased by a ghost.
That's really Hajin Seo? She's so two faced!
Hmm, I've taken a liking to her.
Wait a sec, that loner girl just gave me a lecture?!
I wonder what she really is!
Hmm, I thought she'd be a mindless loser, but she has guts.

But still, it was a success!
He should be glad he was only hit once— But still, I can't bring myself to hate him

If you have time to yabber around all day, go see Henri Yun.
Trust me, I'm a pure person! I only have you in my heart!
I don't want to have to worry about Henri..
Why her? I have nothing for her! We just went to the same kindergarten together!
You're starting again. Don't you have to worry about other things? I'll be tortured the more you talk to me!
SUDDEN STOP

Hajin.. I prefer it when you're mad at me to when you're completely silent
Yunu.. I'm scared I'll start relying on you.
Strange.. I don't feel so lonely anymore
I TOLD YOU NOT TO!

I want to rip you to pieces.

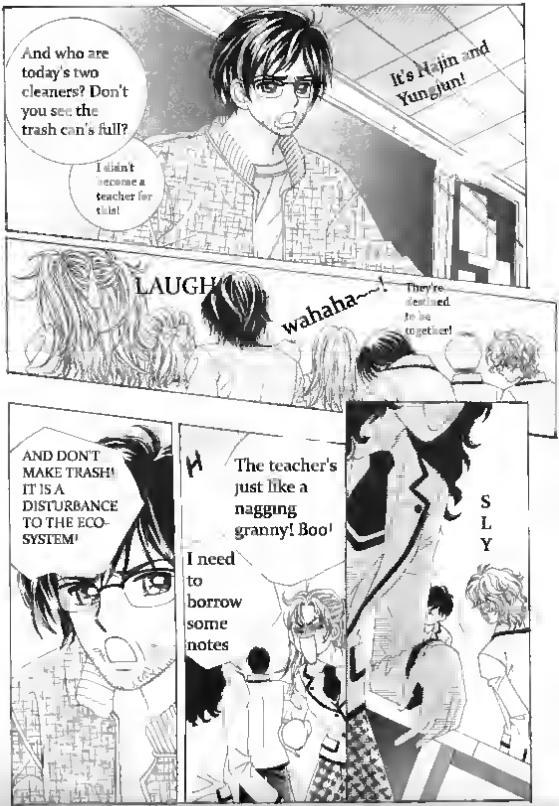
His job is to be beaten up.
He's the main target to the second year gangs
YOU FEEL SORRY FOR HIM? If you want to protect him, date him! Become his girl!
I do feel sorry but He has nothing good about him He deserves the bad stuff
Ew! No way! Although he'd make a nice slave. .
Hey hey! Class is starting, be quiet!



And who are today's two cleaners? Don't you see the trash can's full?
I didn't become a teacher for this!

O-Okay.

Probably for a forced errand. He seems to give bread each day to the bullies
I'm pathetic, huh?
What?
I know. I'm a diseased pig, like the others say.
I'm horrid too, but –
I've never thought that way.
Strange, it's the first time he's talked first.

REALLY?!
Perks Up
S-Sure.
G-good! At least there's one person that feels that way!
Of course. You are in a similar situation as me.
Yungjun Min!
What?

Did you talk to me ONLY because I'm a loser like you?
N-no!

He's stuttering; I was right.
I understand you, but don't think of using me
U-using you?! I never-
What do you think using someone means? I like the way I am now. I'm not going to sympathize with you 24/7 and become the new victim.
I can't do anything for you, I'm saying that as a friend.
Hey, you remind me of someone. I hate it.
I like the way I am, solve your problems on your own

Don't worry! I don't give a damn about you either!
Maybe that's something I wanted to say to myself
Maybe that's why I was so mean to Yungjun
Good

WAIT UP!
It's new yet it was in the garbage can! It's a good brand's good hanky- I scored some!

That's---
KYA!
What are you doing?!
Where did you get that?
I saw some Sunbae trashing it!
That's Jeha-Sunbae's! I'm positive!

TRASHING IT?!
Shit! Losers shouldn't even touch these stuff!
BUT WHY?!

Make sure she doesn't notice. Be a pro at this.
Misun Choi, don't miss anyone she talks with. And don't forget about Myungjin Cheong.

Hey! Until when are you planning on enslaving me! I'm not some sort of lap dog!
I don't know what you're scheming but leave me out!
I'll leave you out even if you beg me not to once I'm done.
Now I have to go.
Jeha Han! You dog! How dare you hang up on me~~!

Hello?
It's Jeha
It's your father here. How about we have dinner tonight? You don t have a choice.
Yes, sir
Okay, sir
What about Mother?
No, Jeha. Later. Right now, we need a father to son talk.
Of course, sir.

THUMP
Has he noticed already?
He can't know, not yet...

Hello, sir Master is thataway
We haven't seen eachother in a while
Sorry, sir I'll visit more often.
Anything you want?
No, later. There's someone to come.
Sit still. You know her
Who-?

You still don't plan on coming home? Living in the office hotel. .
I shouldn't say anything, though. I was just like him when I was young.
It is very silent, sir, and very peaceful
I trust you, but think about your mother
HMM
He's not someone you can win over
Is Taemin still a wreck? I feel horrid
He just needs some more time, sir.
Why would he have called me to just say these kind of things?

And I heard a rumor. You've been distracted?
It's worthless to **dwindle** on your past.
I have no idea what you mean, sir. I'm just adjusting to the new life
Of course
So it's just gossip. Please ignore it. I was just worried. Your children come before everything else.
Of course
Children coming before everything else... I never thought Father could say such things.

So is our meeting some sort of a warning?
Let's stop with this heavy talk. How is school?
Oh! Here she comes!

Sorry I m late. I was caught in a traffic jam.
You're right on time. I was about to be sick of Jeha's silence
So was Yungju the so called guest?
Ha! Don t be so mean! it's just it must have been hard for you two to see eachother!
Oh For me..?
Don't you see how anxious she is? Now let's talk.
I understand her pain.. He's just ignoring her.

I feel dead. I thought he'd at least talk to me if his father was here.
It's not supposed to be this way! He's not even looking at me!

How sad, Yungju! You stayed so silent! From now on, speak up!
Yes, sir. I loved the food
Jeha, take Yungju home I'm going now.
Yes Be careful

부아아아
Please go now. Driver Kim knows where you live.
I'm riding a taxi, so you can just ask Driver Kim-
.....
NO WAY!

Yungju Cha...
Don't say it like that!
Just call me Yungju!
Your dad told you to take me home personally. That was an
You don t know how cold it sounds when you say my l name
I'm not being greedy- you made me do this

Fine. I'll take you Follow me
헉
I know you're mad!
What?
I know you're disappointed in me, but why so mad?
Why pretend to not know my feelings?

SIGH
I've never been mad at you.
I don't care about dignity anymore.
Ever since I first met you, I had all eyes on you
Yungju Cha, please shut up.
Oppa, I like you...

You know how much I prayed? That one day you would see me as more than a friend, more than a mere acquaintance.
I did not want to confess like this
Hey..
I just wanted you to propose to me, and not the other way around
Let's pretend I didn't hear that.
No! Please don't pretend! Until when will you avoid me!

Sob!
Hic! Hic!
CLUTCH
Stop crying! You're face will become a wreck!

I thought you were some Mary Sue with everything ready, never giving in. But no. You're human too
Don't say such things. Someone like you would never understand **Hater.**
So what?
I don't even care!
For the last time, I'm not mad at you! You're just too sensitively selfish to get that*!
Comprende? I hope so
*- that's not helpful to a girl who just got rejected.

I'll take you home, okay? Get in.
No! Not yet!
I haven't gotten an answer!
It's late now. There's always tomorrow. Get in, or I'll really be mad.
Okay.

I made an abrupt decision but I don't regret it. It will all end up happy .. I hope. Anyway, this is better than nothing.
Don't frown like that. I can never tell what you're thinking
I won't tell you to just *BAM* love me. But think about it, okay?
Just don't stop me from waiting.

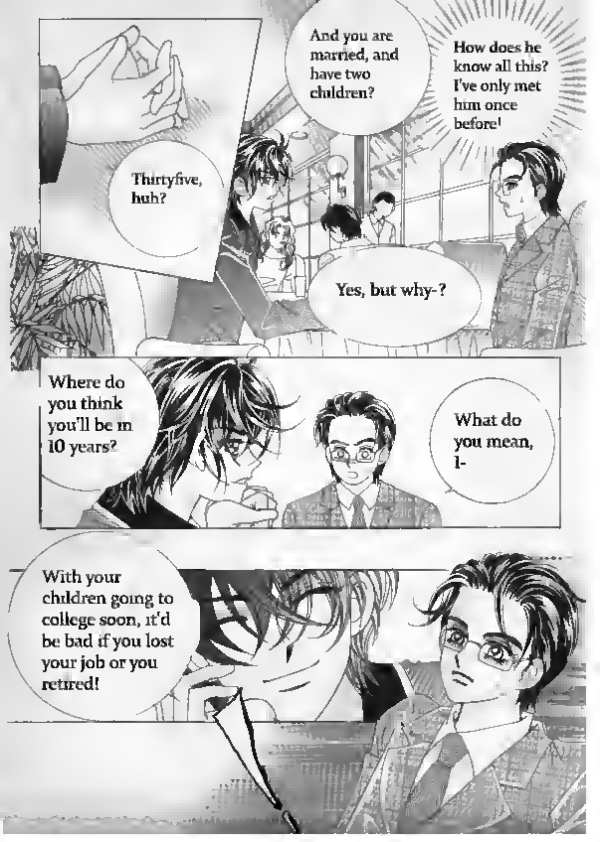
If you make it so I can't even see you, I'll die.

털썩
Tired...
So tired.
But if I just do what whatever I please, news will go to Yungju s father, the rich and high and important man, and in no time Father will know as well
I feel sick. I always knew her feelings.. but this is the wrong timme for it.

It's not a good time to face Father.
So for now, I'll have to stick with, bear with, Yungju
If I hurry, then everything will be ruined-
Come to think, I forgot something important

All dogs are fated to become the pets of new owners one day No matter what the cause
Hello? Can I schedule a meeting for next morning?
BLUE
BLUE
BLUE
Hello, Deputy Choi.

He's scarier than his father
Why did you call for me?
Around how old are you?
What is he trying to say?
Why would you want to know such a thing?
Didn't I ask you about your age?
Right! I'm turning 35 this year.

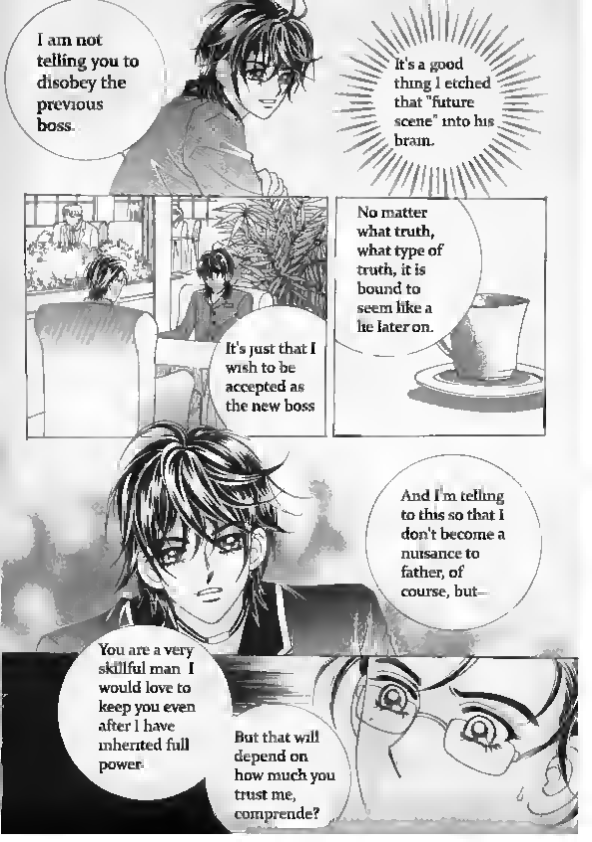


How does he know all this? I've only met him once before!
And you are married, and have two children?
Thirtyfive, huh?
Yes, but why-?
What do you mean, I-
Where do you think you'll be in 10 years?
With your children going to college soon, it'd be bad if you lost your job or you retired!

And it'd be worse if you were fired in just five years.
I'm trying to learn about successful heirs right now.
So in about 10 years, this company would be a hit
By then, what would have happened to you?

I don't get what you mean.
I heard some say you were quick as a jaguar- but I heard wrong, eh?
All I want to say is, I don t want a puppy that goes around digging holes wherever I go I like someone who trusts me

I was only doing as boss told me to-
T-that!
BLUE
BLUE
I understand

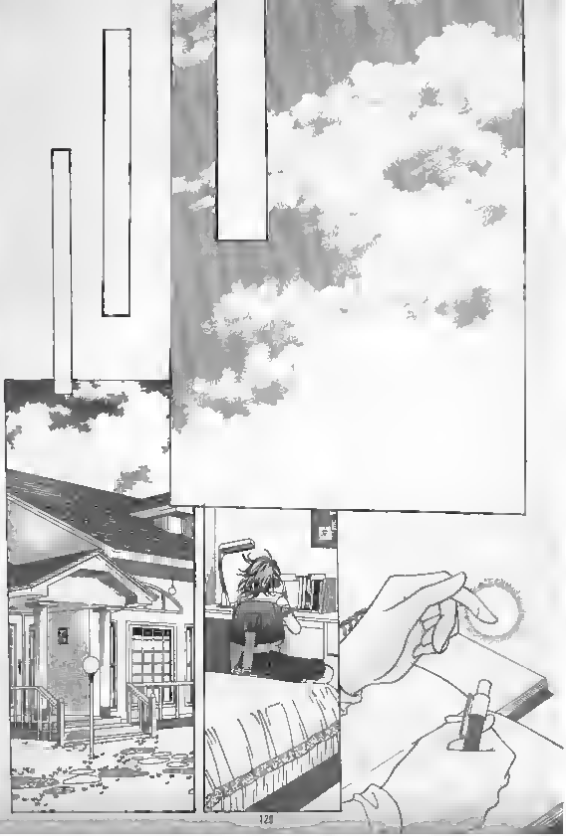


I am not telling you to disobey the previous boss.
It's a good thing I etched that "future scene" into his brain.
It's just that I wish to be accepted as the new boss
No matter what truth, what type of truth, it is bound to seem like a lie later on.
And I'm telling to this so that I don't become a nuisance to father, of course, but—
You are a very skillful man I would love to keep you even after I have inherited full power.
But that will depend on how much you trust me, comprende?

Boss does not like it when you meddle with Mina's affairs.
Let me ask you something why would I care about such worthless, trivial things?
Of course, I won't just say bluntly whose fault it is.
I doubt that you would have been the one to report such false things
This is even worse than listening to some threat Damn it.
I'll give you some time, to think through. I wouldn't want to be rude

I have something I am supposed to do now. Please excuse me.
Hello?

It's Deputy Choi.
Hu
I thought you'd think so too. Call me if you have questions
About what we just talked of... I won't be a disturbance ever again to you or boss.
Well, it was the only choice he had
The root can chase a dog away but a parent can not kick out a son...*
But he was pretty quick- Dad is still bad at finding trustworthy people.
And a son can chase a dog away but he can not chase his parents away*...
* I don't know what that means, sorry



The scar from the cut is almost gone.
But why do I feel this way I actually mis sthe time of the cut, don't I?
I just saw a 3rd year trash it- so I took it from the garbage can!
Is that true? Or did the girl steal it and lie about it?
ACHE
NICE
Hajin Seo, you're so funny He might have, but why do I give a damn?

I just don't know what's what.
Jeha Sunbae isn't one to do such things – He was the first person to act so kindly to me.
It's not just another hanky- it was special, to me at the least
Washing it, ironing it- either way, it was really fun to have!
Oh- I see now
I had just mistaken the hanky and I as one and the same
NICE CLUB

Oh, mother! You are late!
Well, there was qute a few of a riffraff today of all days.
Didn't you eat yet? I tried to call, but.
Good job. And Hajung
I had a feeling you'd be late, so of course I ate.
Hajung? She's, um, sleeping! Yeah!

You must be tired- I'll give you a massage
Oooh, I"d love it. My daughter is all grown up
She's taking gym now, so she's tired now
Oh really? Her prime time's usually at midnight
Must be hard to take care of the family alone
Mom's shoulders became frailer, and thinner than before.
Yes! Dad must be waiting!
There is so little I can do for her.
Tomorrow is sunday, go with Hajung to your father in the hospital. He must be lonely, trapped there.

I'm sorry, Mom..
I feel great now, thanks! Now go off to bed!
You should sleep soon as well!
똑딱-

I thought Mom would be worried, so I lied...
KISS
She didn't have to behave that way for some hanky!
NICE CLUB
She actually called the last time, claiming that she was at a friend's house... Where could she be?

Huff
Huff
They weren't even funny- and they run off without paying for the foods?
Shitty bitches!
Just wait till I find them- they dare spend away me, Hajung's money?
Because I had to pay for the alchohol. I spent all the money I had... And it took a while to earn all that.
I don t even have money to go back home anymore.
It's all that Hajin's fault! How dare she threaten me?

DAMN IT!
Grr! I'm so unlucky!
Beautiful woman shouldn't talk bad--!
What?
What a senseless voice
A horrible appearance, and his hook up phrase, his catch phrase, it doesn't even make sense.
Hey you're broke, baby, right? You can't go home? You look like a high schooler! Poor you!
C'mon baby, I can take you home Just come with me, baby
This perv just wants to do it with me, huh?

But wait, this is actually pretty good!
I'll think about it.
GRIN
It's going to be quite a sight

It's hard, you're underage.
You people just don't showup without a warning, even.
Please, I promise I'd never do such things!
No, it's hard if you're in high school.
I don't want to be a burden to Mom anymore. I want to help out and earn money no matter how little
I'll promise to do a good job, please?
Well, since it's your family and not just personal affairs...
Show up tomorrow at night
Great, so great
Yes! Thanks so much!

Now less troubles will be given to Mom about cash—I may even be able to give Hajung her allowance!
Just because I was in trouble, I just avoided the troubles the others around me were in.
Maybe it was just to eat up my guilt.
I do not want to keep a wall between Mom and me, but I hope she will understand.
Now I have to go to the hospital, to see Dad
He probably wants to see Hajung as well, but.
Hajung really has run away from home.

Ug-
UGH!
PUNCH
PUNCH
What is this?
It sounds like a fight!
Ak! PUNCH! Go die!
FIGHT
I told you loud and clear to fill up $100 amt!
What, now you're rebelling against us?

But I couldn't manage a hundred bucks!
You're so lucky yet you're such a brat!
So what? That's your problem!
Over $300 a month-!
I want to get away from this hell!
Ten bucks a day- isn't that very little?
Shut up, bastard!
ACK!

KICK
KICK
KICK
Isn't that Yungjun?
No! Don't interfere! Nothing's going to change just because of you!
Just scurry along, don't pay a mind to it!
ACK!
DIE!
Please just ignore it!

You have no justice.
SMACK
sMAck
WHAT?!
Oh, so it's another bitch?!
Where did this chick come from?
Let him go.

It's been a while since I last got a lecture from a bitch
Let him go while I'm still being nice
You gangsters that team up to beat a hopeless person up is less than a fly
And I'm also angry at Yungjun, who doesn't have any comeback, he just lies down and gets beat up.
I won't be nice just because you're a girl!
I thought I'd treat you nicely but changed my mind!

SMACK
헉!
sfx- gasp
Ha! So you learned to fist fight! You won't be lucky again!
How's this chick so fast?
Too slow~
O, or or!

sfx- puuunch
GLARE
SPOOKED
OUT

MAMMA MIA~!
I knew I'd regret it- I just couldn't stop myself
Don't just look down
Listen up If you yourself won't change, no one can save you They'll just laugh at you

But, Yungjun Min, you have a choice.
If you can't learn to love yourself, it's over. You're dead
Once you're dead, you have no choice
Change yourself before it becomes too late
CLAP
CLAP

Clap

Bravo~!
Great punch acts, and plus great lecture!
What are you? A part of that gang?
Maybe, and maybe not. I'm not sure myself, sometimes

Since it was 'instinct', let's share names as brave citizens!
Sheesh! I'm just bystander numeros uno!
Stop playing with words! Come and get me, if you must!
I thunk you mean fate
What's up with him? How long has he been here?
And I won t say my name to just anyone
He's definitely my age—but he's not from my school.
Fate! Of course! Exactly what I wanted to say!
You must like to play with words, well, do it with the other dude.
What an annoying bug.

No! Don't just leave me with the weirdo!
weirdo
Huu just pretend you just stepped on crap
Life has just gotten fierce.
Oh no.. It's already too late to go to the hospital. Dad was probably waiting
So why .
Well, we don't really have to share names. I'll find out sooner or later

Why do I feel like I'm being chased by Yunu?
TCH
Why did I stand up for such a person?
Can I please go now?
No, I'm going first!
Wadda I do~?
I'll find out- I promise

Big news!
A second year confessed to Jeha Sunbae!
Not even I have-
How dare a lower classmen-
tell me you're lying!
I'm not kidding! My sister's in the same class as the chick! She apparently waited for him before making her move!
What was the reply?

All I know was that he smiled and said thanks for loving him
Please tell me they haven t agreed to going out!
Well- they're saying she s one of the prettiest 2nd years right now
NO WAY!
Someone confessed to Sunbae?

SILENCE---
whistle~
Why is it extra silent today?
GLANCE
GLANCE
SIT
Please tell me you're not going out with her.

He's ignoring me again- I feel like it's on purpose
Pathetic- I'm the one who told him to mind his own business in the first place, right?

I really want to ask him, even if it's out of place
Did Sunbae really just trash the hanky?
Why is he all of a sudden cold? Did I do something wrong?

I don't want to feel this way ever again.
Why didn't you just reject her clearly, oppa?
Ponder
I'm pretty sure he went this way
That's Yungju Cha's voice!

What are you talking about now?
Jeha Sunbae
I hear someone confessed to you Are you going out now?
Why are they She called him oppa?

is that really why you called for me?
No, we didn't have time to talk about that
I'm tired of this.
It's important to me!
They know eacho ther well- no, it's not just "well" if she can call him oppa*.
Why won't you tell me loud and clear? it only takes you one second to talk!
No— You're too cruel to me
I told you, we aren't going out We didn't have time to discuss anything
* In Korea, it's rude to call an older boy oppa unless you are like family to him.

I don't want that girl gaining hope! She shouldn't be thinking you'd one day like her!
Hajin Seo?!
Quiet, Yunggu, I think-
You're so mean, oppa. You make me feel bad. Well, I don't want anyone else looking at you
